

Gel and Acrylic Workshop

Course Price - £70 +VAT

Course Type - Day

Time - 10am - 4pm

Model Needed – Yes. Please bring in a model that already has artificial nails that you have applied. This will give the trainer the chance to see where you may be going wrong

Who is this course for - This course is designed for students who have already attended our acrylic or gel course, and they may need a little help or existing nail techs that may have changed over from one system to another and are having problems.

What's covered?

This course is very flexible and can be tailored to your individual needs. So if you are finding that your liquid and powder application can sometimes be too wet or too dry then this course will help you get the exact ratio every time.

It may be that you are having problems with lifting, or need more assistants with maintenance / re-balance. Our trainer is here to help you with all your acrylic / gel systems problems.

What's included?
