

PRICE: FREE Training when you buy Orly GelFX Advanced kit £160+VAT (usually £215) OR £30+VAT for training if you have kit already

The GelFX manicure system ensures incredibly durable, chip-free manicures that last for up to two weeks with superior shine and easy removal. Orly matched GelFX to 32 of the top-selling colours so the possibilities are endless, from fingers to toes.

The GelFX formula also cures in half the time of traditional gel manicures, thanks to LED light technology.

When? Spend 2.5 hours with our highly qualified ORLY educator, learn how to get the best results from your GEL FX manicure - **10am-12.30 or 1.30-4pm**

What you need: You will need a manicure Qualification to attend and your GEL FX advanced Kit, plus a 36 watt UV lamp or LED Lamp. Also please make sure you have no nail extensions or colour on your nails.
